MISCELLANEOUS.

Day and Night

During an acute attack of Bronchitis, a ceaseless tickling in the throat, and an exhausting, hacking cough, afflict the sufferer. Sleep is banished, and great prostration follows. This disease is also attended with Hoarseness, and sometimes Loss of Voice. It is liable to become chronic, involve the lungs, and terminate fatally. Ayer's Cherry Pectoral affords speedy relief and cure in cases of Bronchitis. It controls the disposition to cough, and induces refreshing sleep.

I have been a practicing physician for twenty-four years, and, for the past twelve, have suffered from annual attacks of Bronchitis. After exhausting all the usual remedies

Without Relief,

I tried Ayer's Cherry Pectoral. It effected a speedy cure.—G. Stoveall, M. D., Carrollton, Miss.

Ayer's Cherry Pectoral is decidedly the best remedy, within my knowledge, for chronic Bronchitis, and all lung diseases.—M. A. Rust, M. D., South Paris, Me.

I was attacked, last winter, with a severe Cold, which grew worse and settled on my Lungs. By night sweats I was reduced almost to a skeleton. My Cough was incessant, and I frequently spit blood. My physician told me to give up business, or I would not live a month. After taking various remedies without relief, I was finally

Cured By Using

two bottles of Ayer's Cherry Pectoral. I am now in perfect health, and able to resume business, after having been pronounced incurable with Consumption.—S. P. Henderson, Saulsbury, Penn.

For years I was in a decline. I had weak lungs, and suffered from Bronchitis and Catarrh. Ayer's Cherry Pectoral restored me to health, and I have been for a long time comparatively vigorous. In case of a sudden cold I always resort to the Pectoral, and find speedy relief.—Edward E. Curtis, Rutland, Vt.

Two years ago I suffered from a severe Bronchitis. The physician attending me became fearful that the disease would terminate in Pneumonia. After trying various medicines, without benefit, he prescribed Ayer's Cherry Pectoral, which relieved me at once. I continued to take this medicine, and was cured.—Ernest Colton, Logansport, Ind.
